Re: Resignation from City Council seat 5

Dear Sir,

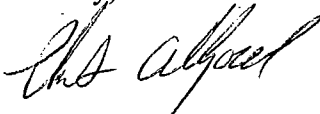

Due to circumstances beyond my control I am forced to vacate my seat on the Caldwell City Council. The PERSI retirement program is requiring a 90 day separation between my previous job as Chief of Police to the new job as City Councilman. They are requiring me to make a choice between receiving my retirement benefits and my job as a councilman.

I worked hard to become a Councilman and the people of Caldwell supported me. This is not something I am doing willingly, and I will work very hard to regain my seat on the Council at some point in the future. I feel I have a lot to offer this city and do not want to walk away from all we have accomplished.

This resignation is effective January 29, 2016.

Thank you and all of the Council for all that you have done for me.

Sincerely,
